Hi Katia and Elliot,

Can you please remove Alex Douglas, Ray Hopper and Carl Judge from any Government MP email distribution lists (including the 'Backbenchers' group) as well as removing Gaven, Condamine and Yeerongpilly from any lists (including the 'Electorate Offices' group).

Thanks in advance,  
Mitch

What about:

*What Alex Douglas does is a matter for him. The Newman government is totally focussed on getting on with the job.*

Looks fine to me – I would be shorter and just give a one liner – what he does is a matter for him.

Hi John,

Are you happy with the following talking points for Alex Douglas – would be good to send to Gold Coast MPs.

*What Alex Douglas does is his business. The Newman government is totally focussed on getting on with the job.*

*We will not be distracted from the task of fixing the state's finances and repaying the massive debt left by Labor, creating jobs for Queenslanders and lowering the cost of living for Queensland families.*

*This is a great state, with great opportunity.*

Gerard
